

Professional Reference – Sean Burrows

David Farley-Cook
Senior Regional Operations Manager, QLD
Rexel Holdings Australia
12 Julius Ave
North Ryde NSW 2112

31st October, 2017

To Whom It May Concern

I am pleased to provide a professional reference for Sean Burrows, whom I have come to know well in the past 12 months.

Sean has worked on a few key projects for Rexel Holdings Australia over the course of 2017 as part of his duties with Drake International.

Initially, Sean was part of our Gladstone multi-store relocation effort which involved dispersing an entire inventory and capital equipment to our wider branch network. Sean's attention to detail and ability to learn quickly meant he became instantly valued by the management team on site. Not only was Sean able to receive direction, he could give direction to unskilled contractors to ensure that tasks were completed accurately and in a timely manner.

We have since engaged Sean on several occasions to assist with various projects within the business, including some key site renovations at Milton and Capalaba.

Sean has displayed a positive attitude and brings key attributes to the workforce which sees him perform beyond his years of experience. Punctual, attentive, well-mannered and educated, Sean has proven himself to be a valued team member in our organisation within a warehouse, wholesale and retail environment.

I hold Sean in the highest regard as a professional and as a person, I have no hesitation in recommending Sean for a position in the industry of his choice and would be pleased to receive a phone call to discuss this reference in more detail.

Sincere regards,

David Farley-Cook
